

Maximize your marketing with Social Media

Phonak has provided some social media images and videos to help you get the attention of both current and new patients.

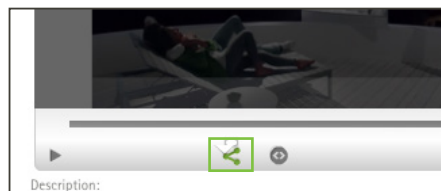

We have provided suggested text to accompany the image and video or create a custom message.

How to share video

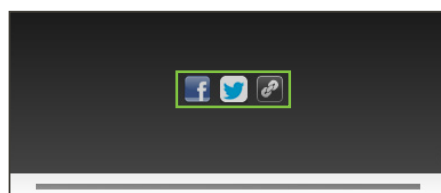

- Highlight **Suggested Text** and copy, or prepare a message for a new post

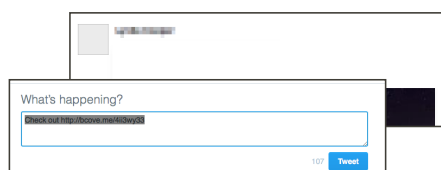

- Click the **share** link on the menu below the video

- Choose either the **Facebook** or **Twitter** icon to post on your business' page

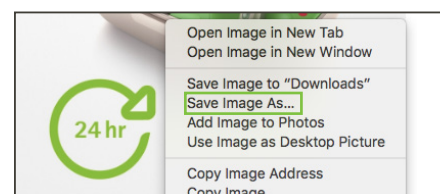

- Paste **Suggested Text** then **Post to Facebook** or **Tweet**

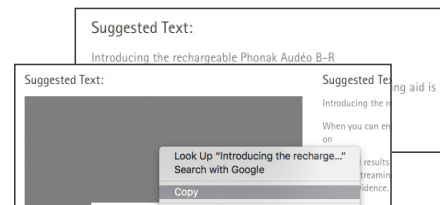

How to share image

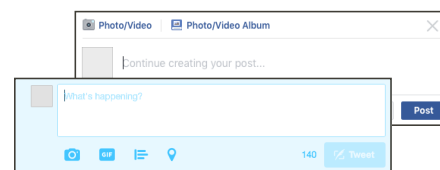

- Right-click image > Select **Save image as...** > **Save**

- Highlight **Suggested Text** and copy, or prepare a message for a new post

- Create a new post on your business' **Facebook** page or **Twitter**

- Paste **Suggested Text**, upload saved image and **Publish** or **Tweet**
